Dear Little Conkers Parents

Beginning of day arrangements

After to speaking to some Little Conkers parents, it has been brought to my attention that the children are finding it difficult to wait on the grassed area, and are walking on the school driveway, which is hazardous.

For this reason, the green gate into the Little Conkers outside area will be open for you to wait in, until the doors open at 9am.

This is however, a small space, so please be considerate of other parents and children near you.

I hope this new waiting space eliminates any concerns you have about children running across the school driveway.

Yours Sincerely

Mrs Hodson
Executive Head Teacher
