It is hard to believe we are already into the third week of the summer term! The weeks in school are very busy, with many opportunities and experiences planned for the children.

Tomorrow we have a coffee afternoon in school. This is an ideal opportunity to meet with members of the school leadership team. We would love to hear your thoughts about Class Dojo, behaviour in school, communication...and anything else you would like to speak to us about! We hope you can join us.

At the end of this academic year Miss Litowczyk will be leaving our school to take on new challenges and adventures. I am sure you will join me in thanking Miss Litowczyk for her hard work and wish her well for her future. Last week we appointed Mr McCormack who will be joining us in September to teach Y6. Mr McCormack is delighted to be joining our team, and will be in school during term 6 to meet his new class.

Although the weather has been a little drizzly over the last week, the weather forecast predicts the sunshine is making a return later this week! Please ensure your child has a sunhat at school, and you apply long-wear sunscreen to your child before school. In school, we remind the children to drink water throughout the day, so please ensure you send your child to school with their water bottle.

Attendance

Last week Classes 1/2D & 1/2W had the joint highest attendance with 99.6%. Well done!

The whole school attendance for last week was 96%, and the attendance for the year to date has fallen slightly to 95.2%. We are aiming for our whole school attendance to be over 96%, so thank you for your ongoing support with attendance at school.

Church School Value

Our church school value for this term is 'trust'.

The bible story this week is Noah trusts God, Genesis 8-9.

Celebration Assembly

We have been delighted with the high attendance from friends and family members at our weekly celebration worship assembly and it is wonderful to be able to share these celebrations with you.

However, once the worship has started please can you end your conversations and ensure your mobile phones are on silent, or switched off. This will ensure the focus remains on the children, and they do not become distracted. Thank you for your support with this.
