Dear Parents and Carers,

## **OFSTED report**

As you are all aware, we received an OFSTED inspection before half term and I am delighted to be able to share this '**GOOD**' report with you today! The report will be officially published on the OFSTED website Thursday 16 November 2017, but we are able to share it with our school community today.

This report clearly highlights the great progress and positive changes our school has made since the previous inspection in May 2013, which is due to the hard work and enthusiasm of the staff, children and our whole school community.

It is wonderful to read how the inspector enjoyed listening to the children talk about how they enjoy coming to school, and have positive attitudes to learning.

Thank you for your on-going support at school. We are proud to be able to share this report with you!

Yours Sincerely

Mrs Hodson  
Executive Head Teacher
