

PE and Sport Premium Statement 2017- 2018

The Sports Premium Grant is additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils. This year the premium has doubled meaning £16,000 is allocated to the school plus £10 per pupil.

We have been working with Carre's Grammar School to increase the quality and breadth of the PE and Sport that we offer at Chestnut Street School. Staff have been supported in developing their skills and knowledge via regular visits from PE specialists. The Premium has allowed for the provision of National Governing Body qualified coaches to visit our school and work with our staff and children. This year we are looking forward to having two physical literacy coaches to come in and work with our key stage one staff and Year 3 and 4 Staff to increase their confidence and knowledge, working with the staff during the lessons to provide support and ideas. No coaches or specialists are brought in to cover PPA time.

The Outreach offer we have agreed with Carre's Grammar School will pay particular focus to 4 areas:

High Quality PE
Competition
Health/Wellbeing
Community

Priorities for 17-18

1. Sports crew – raise the profile and establish as a key part of the School Games process
2. Continue to engage as many different members of the school community in school sport / physical activity; children, staff, parent helpers, etc.
3. Increase the percentage of children experiencing extra-curricular sporting clubs

Our forecast for expenditure for 2016 – 2017 of the funding is set out as below:

Activity	Cost
Carre's Grammar school outreach program this will include team teaching of the following sports: handball, basketball, gymnastics and rugby.	£1637
PE Advisor – to help develop whole school co-ordination of PE and sport and to help identify areas for development.	£877
Physical Literacy coach	£3137
Whole school fitness profiling	£400
Festival, events and competitions	£300

Transport to events	£1100
Cover for teacher to attend events	£1200
Equipment	£650
Setting up new clubs	£650
Outreach Inspire + package	£2000
PE and Sport apprentice	£5,400
Total	£17,351

The rest of the fund will be used to address areas of development, provide supply cover for key staff to train, assess and review our current provision. We will also use some of the fund to address and begin to provide mindfulness activities and sessions for all children. We have a designated member of staff to co-ordinate PE in school and some of the grant is to fund release time for her to do this. This role includes working with Carre's Grammar School PE advisor.

We would expect the impact to be:

- Increased opportunities for all of our pupils to access a wider variety of PE and Sports
- Opportunity to develop the competitive element of sports and the skills of sportsmanship
- Increased opportunities for our pupils with sporting talents to train and compete with pupils with similar skills.
- Developed pupil understanding of the importance of keeping fit and healthy and ways that they can improve their health and fitness.
- Pupils who are fitter, healthier and are motivated to continue to improve.

The use of the Sports Premium Grant is monitored and reviewed by Governors at their termly meetings. It has been agreed no Sport Premium money is to be used on swimming lessons, other than inter-school competition.

We can sustain this by:

- Staff feeling more confident and delivering high quality PE sessions.
- Staff have been exposed to a wider variety of sport and physical activities.
- New relationships with other schools have been forged.

“Improving the quality and breadth of PE and Sport provision”
