

The Ruskington Chestnut Street CofE Primary

Read Write Inc. Phonics and English

At The Ruskington Chestnut Street CofE Primary we use the Read Write Inc (RWI) programme in EYFS and Key Stage One to get children off to a flying start with their English. RWI is a method of learning centred around letter sounds and phonics, and we use it to aid children in their reading and writing.

In Reception and Key Stage One, we use RWI to support the children in developing their phonics knowledge and applying this to their reading and writing skills.

Read Write Inc. Spelling

Read Write Inc. Spelling is a fast paced, systematic spelling programme based on proven strategies of teacher modelling, followed by partner work and independent work, to embed learning. The programme covers all the word structures and spelling requirements for Years 2–6 in the National Curriculum. We use this programme to teach children the rules and patterns which they need in order to become successful spellers.
