We had a fabulous start to the term with our Aspiration Week. The children had a variety of visitors in to school - firemen, ambulance staff, policemen, chicken farmer, personal trainers, cook, RAF staff, hotel hospitality staff to name a few! The children also had the opportunity to visit local businesses in the village. The children loved the variety of visitors and visits - it really opened their eyes to a range of future possibilities! Thank you to Mrs Maddick and Mrs Wilson for organising such an inspirational start to the school year.

We are looking for some poppy making volunteers!

If you have the skills to knit, crochet, or make a poppy in another way, please speak to Mrs Buckley about a new project she is organising!

Attendance

Last week Classes 2D, 2W, 3/4C, 3/4M and 5A all had the joint highest attendance with 100%. Well done!

The whole school attendance for last week was 99%, so the attendance for the year to date is 99%. This is a fabulous start to the year - we hope this continues!

Church school value

Our church school value for this term is Respect. This week, the theme is respecting the rules! The children will be looking at the Ten Commandments and their class rules.

Growth Mindset

You might have noticed a few changes with the Dojo points this school year, inline with our *Growth Mindset* approach. In a growth mindset, it is believed that abilities can be developed through dedication and hard work to create a love of learning and a resilience that is essential for great achievement. To help our children develop these skills, we will now be awarding dojos for the following reasons:

- * I took a risk today
- * I challenged myself
- * My mistake helped me learn
- * I learnt from the feedback of others
- * My behaviour was excellent
- * I shared ideas which helped others to learn
- * I showed kindness

I have a **GROWTH MINDSET.**
I am in charge of how smart I am because
I can **GROW** my **BRAIN**
like a muscle by learning hard things.
I can achieve **ANYTHING**
with **EFFORT** and **RIGHT STRATEGIES.**
And when I fail or make a mistake,
it is a **GREAT** thing, because
I can **LEARN** from them and
I GET BETTER!
