What I like about our school as a church school

- “The opportunity given to children to learn about every religion.”
- “The morals and values it teaches. Regular visits to the church at festival times. The comfort it brings when our children are dealing with difficult times in their lives

such as the death of a pet, family member, falling out with friends. I feel that our school is a lovely community.”

- “That my daughter is able to explore her spirituality at her own pace and in a way that is suited to her age. I like that she is learning positive values.”
- “This is the reason my daughter goes to Chestnut School, because it’s a church school. She goes to Sunday School at All Saints Church so it is nice to continue her learning in school.”
- “Not turning away the less fortunate and supporting them.”
- “It’s safe for our children.”
- “You still celebrate Harvest festival, Christingle. You take the children to church. Also include the elderly at Christmas.”
- “Teaches the meanings to all of the holidays.”
- “I like how the moral values of trust, compassion etc are incorporated extensively.”
- “I feel understanding of religion is important to embrace all parts of community. I believe ignoring faiths is ignorant and promotes racism. Church school promotes respect and understanding of culture and faith.”
- “Good values that can be applied through life.”
- “The first thing that comes to mind is how supportive the school is.”

What I would like to see improved about our school as a church school

- “Only thing I could suggest is for the children to do plays from the bible but I also know this takes up so much time.”
- “Consider assembly by other faiths (perhaps you already do this).”
