

8<sup>th</sup> September 2016

Dear Parent/Carer

Welcome back to a new term, I hope you all had an enjoyable break. I would like to extend a special welcome to all our new children and their families, we look forward to getting to know you over the next few weeks. If you have any queries please do not hesitate to contact school.

During this term, I will be setting up a lunchtime club for those children who are experiencing difficulties out on the playground. This could be friendship issues or not feeling confident to go out to play at lunchtime. Staff will refer children, who can then attend the lunchtime club for a period of time. To help set up this club I am asking if you have any games, books, puzzles or suitable magazines which are in good condition that can be used by the children at the club.

On our website there is a leaflet which explains what support I can offer children and families, either in school or directing you to other organisations which we have contact with. If, after reading the leaflet, you feel there is something I can help with, I can be contacted at school either by telephone or email.

If, in your family, you have a child who is a young carer and they help with everyday household tasks or help look after a family member on a long term basis then please contact me at school as there is support available for families and children.

I would also like to find out if there are other ways in which we can support you or your children, i.e. coffee morning or afternoon, where you can come and meet other parents over a drink (and maybe cake). If there are any workshops you would like to see run in school to help you support your child with their education please let me know. Any ideas would be welcome.

I look forward to hearing from you.

Yours faithfully

Pauline Fry  
Child and Family Support Worker
