September 2017 Reception places

If you have a child who was born between 01/09/2012 and 31/08/2013 it is time to register them for school in September 2017.

You can collect an information pack from the school office, apply online at www.lincolnshire.gov.uk/schooladmissions

or contact the Education Team on 01522 782030 for a paper application form.

Active sport vouchers

Please look out in Sainsburys for the Active Kids Vouchers. They are available at the main supermarket, their express shops and petrol points. Remind Grandparents, Aunts, Uncles and Cousins too to collect for the school. Last year we managed to get 2 sets of pop up goals and topped up the lunch time games equipment. Let's see if we can beat last year's total!

Epiphany

On the first day of term, the whole school celebrated Epiphany in a special Collective Worship. Children discussed the kings' visit to Jesus. A lot of children had made home-made crowns during the holidays, which they wore for the Collective Worship, and there were some fantastic designs. All of the children and staff enjoyed this start to the new term.

Year 6

Year 6 had a really fun WOW day about the Mayans. They made temples out of cardboard boxes and mod rock, paper mache masks, headdresses and played games that the Mayans played. They all really enjoyed it !!!

Year 5

Year Five have started their new topic on the Vikings. They have been busy writing adverts to sell Viking longboats and also wrote Viking lonely hearts columns. The children have also been designing and making Viking shields.

Football team

They played against Church lane and won 2-1 the goals being scored by Oliver and Robert, both pupils from year 5.

Well done Chestnut Street

Key Stage 1 started off the term being visited by aliens. The aliens were frozen in ice and the children had to work out whether salt, flour, oats, talc or sugar would defrost the ice the quickest. We spent the afternoon completing our mission file, where we had to tell people how to look after the alien, how to build a house for the alien and what would the alien need to know about earth.

Elm and Lime

This week the aliens left a surprise for Elm and Lime class, they visited again but left a surprise around the classroom, pants!!! Spotty pants, dinosaur pants, star pants and football pants.

Mrs Maddick and Mrs Holderness were not impressed that their classrooms had been taken over by pants. However, the children found it highly amusing and have produced some wonderful pieces of pants writing!

Little Conkers have a brand new "Book Time" library!

The children have been very excited about choosing books to take home to share with their family.

They are building great early reading skills!

Year 4

In year 4 this term we are designing a new toothpaste product and advertising it through an exciting advert, using persuasive language. Sir Alan Sugar set them this challenge, as they are experts on teeth, through our science work.
