

The Courier

Friday 3rd February 2017

Willow

Willow have been learning about space and planets, they have written a lot of Information about them. The Courier Team have been wowed by their hand-writing and drawings.

Lime

On Thursday we had a visit from Paddington, a Pets as Therapy dog. He was very well behaved and loved meeting the children. The children enjoyed getting to know him. They stroked Paddington and read stories to him, he really liked listening to the children read. They asked Sue, his owner, lots of questions about how she looks after her dog. Paddington is coming back to school again in a few weeks.

Chestnut

They have been learning about dinosaurs and have impressed us with their amazing dinosaur facts. They have thoroughly enjoyed digging for fossils. Also they have been listen to hunting music and a pupil said , “Be careful with bones.

Year 5

In Year 5 they have been doing the Viking invasion and Year 6 got a treat of seeing all there amazing shield designs. Also in maths they have been learning tricky fractions and that is what Oscar got the certificate for!!!

Little Conkers

In Little Conkers this week it has been lots of fun learning about Chinese New Year. The children have made some fantastic Chinese dragons and lanterns as well as tasting some delicious Chinese food.

Notice—Thursday 9th Feb ,at parents evening ,the school uniform shop will be out all evening for parents to try Anything and then buy or order what they would like.

Year 6

Year 6 have been working hard on creating their Mayan adventure stories. They have started to write their rising action, which is the part of the story where most of the action takes place. Before hand they had already planned their story and what characters they would have and what happens.

Elm

Elm have been learning about space and have a huge set up of the NASA space station and a model of the solar system too.

Year 3

This week they have been looking at the stone age and have been writing adventure stories about going back in time and meeting them.

Activity club

A group of year 3, 4, 5 & 6 children attended the Festival of Activity's, at Nocton, on Wednesday 25th January 2017. They all thoroughly enjoyed the activities and left with their hearts beating a little faster and with a healthy glow to their cheeks. It was a pleasure to watch them challenge themselves and support each other too. Well done to Henry, Abi, Ellicia, Grace, Sophie, Gabriela, Michael, Owen, Lilah and Summer, you represented Chestnut Street C of E Primary School admirably.

Year 4

In year 4 they have been looking at Anglo-Saxon jewellery. During their art lessons they have been designing and creating their own Anglo-Saxon brooches.
