

The Courier

Wednesday 7th December 2016

End of term disco Monday 19th December. KS1 5pm-6pm and KS2 6.15pm – 7.15pm. More information to follow.

Lime

Lime have been working very hard learning how to use the inverse operation in maths. Also, we have been magically turning adjectives into adverbs.

Hilltop

Children in Year 6, who went to Hilltop, really enjoyed themselves and conquered fears and did things they never thought they would. They jumped off 10 metre platforms with no harness onto an airbag ; abseiled down a 30m wall, fired real arrows and climbed up wobbly logs and tyres.

Save the Children
**CHRISTMAS
JUMPER DAY**

Get out those woolly Christmassy Jumpers out for the children and help our Save the Children fund raising by donating a £1 and wearing a festive Christmas Jumper on the 16th December. This is also our Craft Afternoon, so you can join in with the afternoon as well if you want!

BBC
**Children
in Need**

Thank you very much. We raised a magnificent £367.20 for Children in Need this year. The children looked great in their spots and enjoyed a personal visit from Pudsey himself!

Willow

This week in science they have been learning about materials which are chocolate; magnets and material.

Alien Invasion in Year Five

Year Five children investigated strange happenings in school which they thought was evidence of an alien invasion. The children had press passes and wore shoe coverings so that they did not contaminate any of the evidence. In the afternoon they created art work of what they thought the alien life might look like.

Little Conkers have been investigating shapes and sizes, and learning to describe shapes using a range of words. There have been some very tall towers and some very loud crashes!

Teddies go to Space!

In year 5, the topic has been all about spaced. In design and technology, we have been creating a spacesuit for our teddies, we have designed and cut out a template, sewn it together and glued 'space' attachments on to our suit. Year 5 should be very proud of their achievements.

Celebration Awards— Catch-up

Elm— Georgia, Kian, Edward and Charles.
 Willow— The whole class, Jenson, Theo
 Lime— Vinnie, Filip, Harrison, Thomas
 Y3— Otis, Keco, Keiran
