Tuesday 15th May

Dear Parents/Carers

The instructions the children have been writing were fantastic and were a great help while making their amazing salads this week. The children have really enjoyed their DT lessons and concentrated and worked super hard while making their salads.

They have brought home the finished product for you to taste. Please could you help your child fill out the attached form and give them some feedback they can share with the class next week. Please can we have all completed forms returned to school by **Monday 21st May.**

Thank you for your continued support.

Yours Sincerely,

The Year 1/2 Team.

Mrs Hall

Mrs Wilson

Mrs Darling
