Dear Parents/ Carers

On Friday 27th April we will be holding a School Games day. The day will give every child in school a chance to take part in a sporting activity. The games will run throughout the day starting with an opening ceremony and we will be celebrating our winners in Friday's celebration worship.

Please note this date has changed from Tuesday 24th April.

One child from each class will be chosen and presented with a medal for showing not only the school values but also the school games values which are:

- Honesty
- Teamwork
- Respect
- Determination
- Passion
- Self-belief

For the day we would ask your child has got their water bottle on them and also have their P.E kit in school, they may also need their sun hats if the nice weather continues.

As well as all children taking part in a sporting activity those in KS2 will also have the opportunity to referee, be part of the media team and keep score of matches.

We will be putting pictures of the day on our school twitter pages and members of our sports crew will update you with written reports.

Laura Maddick

Class Teacher and PE Subject leader
