

5 September 2016

Dear Parents and Carers

Welcome back! We have had a great start to the school year today with lots of fun activities.

You may recall that at the end of the summer term we asked the children and then you, as parents, for your input on the School Values and how we could review and refresh them. Based on all the feedback we received from children, parents and staff, and following training with the Diocese last week, we have decided on 6 main core values which we believe best represents us. These are:

Compassion
Respect

Forgiveness
Honesty

Perseverance
Trust

You will notice that whilst some remain the same as previously others are new. We decided on these as they hold true to our Christian ethos. We will be looking at these and other Christian Values through our Collective Worship, RE and other lessons.

Our value for this first half term will be Respect and we will be focussing on this through all aspects of school life.

We believe that these values represent all that we are as a school and that they will underpin all that we do as a community.

We look forward to a fantastic year working with your children and you to help them grow and learn as happy and healthy individuals.

Yours sincerely

Mrs Laura Suffield
Headteacher
