

Chestnut Street C of E Primary School

PE and Sport Premium Statement 2014-2015

The Sports Premium Grant is additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils.

We have been working with Carre's Grammar School to increase the quality and breadth of the PE and Sport that we offer at Chestnut Street School. Staff have been supported in developing their skills and knowledge via regular visits from PE specialists. The Premium has allowed for the provision of National Governing Body qualified coaches to visit our school and work with our staff and children. This year we are looking forward to having two physical literacy coaches to come in and work with our key stage one staff and Year 3 and 4 Staff to increase their confidence and knowledge.

The Outreach offer we have agreed with Carre's Grammar School will pay particular focus to 4 areas:
High Quality PE
Competition
Health/Wellbeing
Community

Our forecast for expenditure of the funding is set out as below :

Carre's Grammar school outreach program £1000 this will include team teaching of the following sports: Girls only football, Outdoor and Adventurous Activities, Handball.

£800

PE Advisor – to help develop whole school co-ordination of PE and sport and to help identify areas for development.

£2000

2 x Physical Literacy coaches@ £1250

£2250

Football coach

£1000

Transport to competitions and competition entry

£800

Setting up new clubs

£800

Swimming

£1000

The rest of the fund will be used to address areas of development, provide supply cover for key staff to train and assess and review our current provision. We have a designated member of staff to co-ordinate PE in school and some of the grant is to fund release time for her to do this. This role includes working with Carres Grammar School PE advisor.

We would expect the impact to be:

- Increased opportunities for all of our pupils to access a wider variety of PE and Sports
- Opportunity to develop the competitive element of sports and the skills of sportsmanship

- Increased opportunities for our pupils with sporting talents to train and compete with pupils with similar skills
 - Developed pupil understanding of the importance of keeping fit and healthy and ways that they can improve their health and fitness.
 - Pupils who are fitter, healthier and are motivated to continue to improve.
- The use of the Sports Premium Grant is monitored and reviewed by Governors at their termly meetings.

"Improving the quality and breadth of PE and Sport provision"
