

PE and Sport Premium Statement 2016- 2017

The Sports Premium Grant is additional funding from the Government to improve provision of physical education (PE) and sport in primary schools. It is also for improving the health and wellbeing of primary pupils. £8,000 is allocated to the school plus £5 per pupil.

We have been working with Carre’s Grammar School to increase the quality and breadth of the PE and Sport that we offer at Chestnut Street School. Staff have been supported in developing their skills and knowledge via regular visits from PE specialists. The Premium has allowed for the provision of National Governing Body qualified coaches to visit our school and work with our staff and children. This year we are looking forward to having two physical literacy coaches to come in and work with our key stage one staff and Year 3 and 4 Staff to increase their confidence and knowledge, working with the staff during the lessons to provide support and ideas. No coaches or specialists are brought in to cover PPA time.

The Outreach offer we have agreed with Carre’s Grammar School will pay particular focus to 4 areas:
 High Quality PE
 Competition
 Health/Wellbeing
 Community

Expenditure for 2015-2016

Activity	Cost
Carre’s Grammar school outreach program this will include team teaching of the following sports: volleyball, basketball, OOA and dance.	£1000
PE Advisor – to help develop whole school co-ordination of PE and sport and to help identify areas for development.	£1750
2 x Physical Literacy coaches@ £1250	£2250
Transport to events	£1100
Cover for teacher to attend events	£1200

Total	£8600

CPD teachers received

Nina Walton	Small sided games Athletics
Laura Maddick	Small sided games Athletics
Lynne Edwards	Invasion games Gymnastics

Charlie Bailie	Football
Natalie Ring	Small sided games Athletics
Claire Holderness	Tennis Athletics Invasion games
Sandra Crook	Pop Lacrosse Tennis Cricket
Cara Smith	Tennis
Elizabeth Parry	Rugby Tennis Dance

Our forecast for expenditure for 2016 – 2017 of the funding is set out as below:

Activity	Cost
Carre's Grammar school outreach program this will include team teaching of the following sports: volleyball, basketball, OOA and dance.	£1637
PE Advisor – to help develop whole school co-ordination of PE and sport and to help identify areas for development.	£822
2 x Physical Literacy coaches@ £1250	£3278
Inclusion support CPD for teachers	£2000
Setting up new clubs	£200
Whole school fitness profiling	£450
Total	£8,387

The rest of the fund will be used to address areas of development, provide supply cover for key staff to train, assess and review our current provision. We have a designated member of staff to co-ordinate PE in school and some of the grant is to fund release time for her to do this. This role includes working with Carre's Grammar School PE advisor.

We would expect the impact to be:

- Increased opportunities for all of our pupils to access a wider variety of PE and Sports
- Opportunity to develop the competitive element of sports and the skills of sportsmanship
- Increased opportunities for our pupils with sporting talents to train and compete with pupils with similar skills.
- Developed pupil understanding of the importance of keeping fit and healthy and ways that they can improve their health and fitness.
- Pupils who are fitter, healthier and are motivated to continue to improve.

The use of the Sports Premium Grant is monitored and reviewed by Governors at their termly meetings. It has been agreed no Sport Premium money is to be used on swimming lessons, other than inter-school competition.

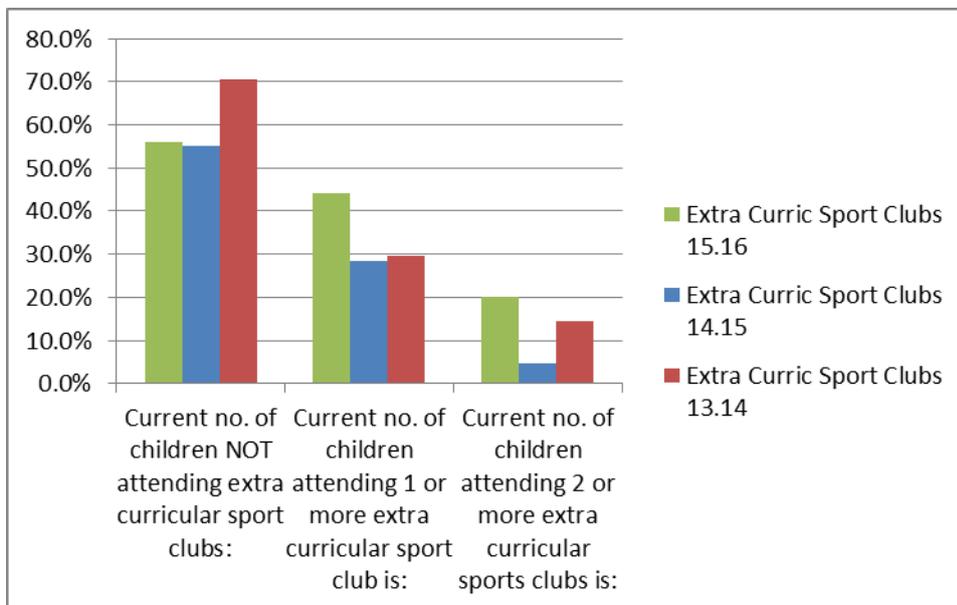

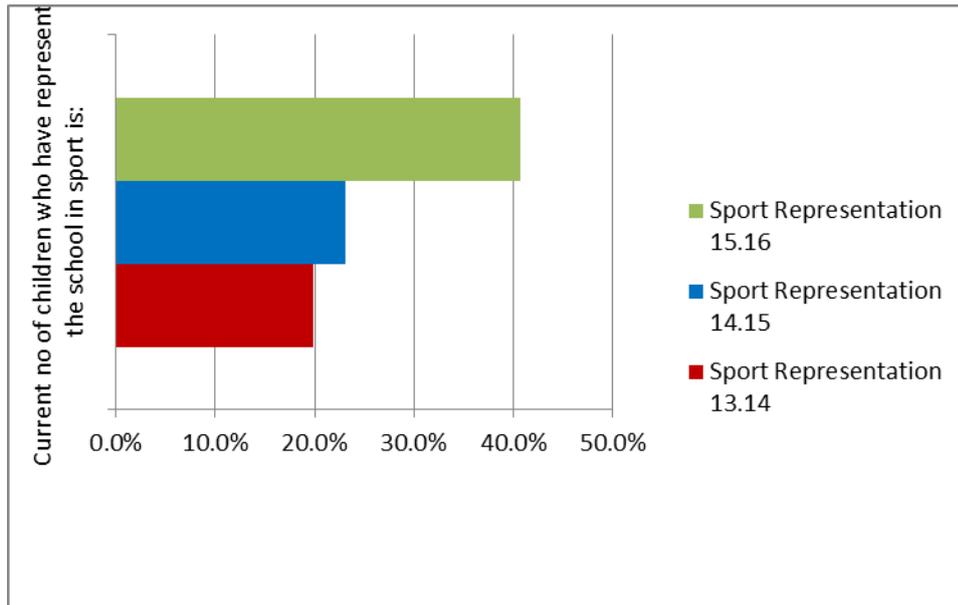

We can sustain this by:

- Staff feeling more confident and delivering high quality PE sessions.

- Staff have been exposed to a wider variety of sport and physical activities.
- New relationships with other schools have been forged.

2015 – 2016 headline news

- 44% of all children attended one or more extra-curricular sports clubs compared to 29% the previous year. Showing a 15% increase.
- 41% of children have represented the school in a sports event compared to 23% the previous year showing a 18% increase.

Priorities for 16-17

- Continue to support teachers to deliver outstanding PE.

- Maximising opportunities for children to participate in school sports which includes after school clubs, house competition and inter school competition.
- Tracking the least active children and signposting them to opportunities.

“Improving the quality and breadth of PE and Sport provision”
